CAREER OBJECTIVE

I am eager to kickstart my career in crafting engaging and responsive websites. With a solid foundation in **HTML5**, **CSS3**, and **JavaScript**, and hands-on experience with modern frameworks such as **React.js** and **Next.js**, I am passionate about building user-friendly interfaces and translating design concepts into functional code. In addition, I have practical knowledge of **WordPress**, enabling me to deliver flexible and content-driven web solutions.

I am seeking an opportunity to contribute to a dynamic team where I can apply my skills, continuously learn from experienced professionals, and grow as a Front-End Developer. My long-term goal is to establish myself as a Senior **Front-End Developer** within the next 4–5 years, consistently adding value through innovation and dedication.
